

## ConHacks 2025 Hackathon Judging Criteria Sheet

Team Name:

Project Title:

SDG Theme:

- ☐ SDG 3: Good Health and Well-being
- ☐ SDG 12: Responsible Consumption and Production
- ☐ SDG 16: Peace, Justice, and Strong Institutions

Scoring Guide Please rate each criterion on a scale of 1-5:

- 1 = Poor/Not demonstrated, 2 = Below average, 3 = Average/Satisfactory, 4 = Above average, 5 = Excellent/Outstanding

### Judging Criteria

1. Impact & Relevance (25%) *How well does the solution address the specific SDG theme? What is the potential scale and significance of impact?*

Criterion	Score (1-5)
Clear connection to chosen SDG	
Addresses a significant problem	
Potential for meaningful impact	
Scale of potential beneficiaries	
IMPACT SUBTOTAL	___/20

2. Innovation & Creativity (25%) *How original is the solution? Does it demonstrate creative thinking and novel approaches?*

Criterion	Score (1-5)
Originality of concept	
Creative problem-solving	
Unique technical approach	
Differentiation from existing solutions	
INNOVATION SUBTOTAL	___/20

3. Technical Implementation (25%) *How well was the solution executed from a technical perspective? Is it functional and well-designed?*

Criterion	Score (1-5)
Technical complexity	
Functionality/working prototype	
User experience/interface design	
Quality of implementation	
TECHNICAL SUBTOTAL	___/20

4. Feasibility & Sustainability (25%) *Is the solution practical and sustainable? Can it be implemented and maintained in the real world?*

Criterion	Score (1-5)
Financial viability	
Scalability potential	
Implementation practicality	
Long-term sustainability	
FEASIBILITY SUBTOTAL	___/20

#### Overall Score and Feedback

Category	Points	Weight	Weighted Score
Impact & Relevance	___/20	25%	
Innovation & Creativity	___/20	25%	
Technical Implementation	___/20	25%	
Feasibility & Sustainability	___/20	25%	
TOTAL SCORE			___/100
